

# NUTROVIT 270

Complementary feed for horses in light activity

Brewer's yeast  
Vitamin E  
Lysine  
Methionine

**NUTROVIT 270** consists of high quality flaked cereals, a correct supply of fiber in order to support intestinal function and a proper ratio between mineral salts and vitamins, specially created to feed and maintain your horses in perfect shape both during the work periods and the consequent recovery phases. Furthermore the total absence of oat makes this product the ideal food for horses of any age and use.

## ANALYTICAL CONSTITUENTS
